Professional Summary

Hold a Bachelor 's degree in Bachelor of Computer Application. I am always eager to learn new things, ready to have new experiences, and I'm proactive about seeking new opportunities to develop and grow in my role. Technology has the ability to impact lives at a level and large scale. The idea that something I create can impact someone across the world now, or in the future is what drives my passion for Technology.

Education

| Year | Degree/Examination | Institution/Board | CGPA/Percentage |
|------|---|---|-----------------|
